

Come and gather with friends to scrap the day away while raising funds for the Santa Clarita Autism Asperger Network and the Autism Research Institute

A crop is an event where people interested in scrapbooking get together to work on their scrapbooks to preserve their special memories for generations to come.

Similar to a charity walk, our participants are gathering at the Crop for Autism Awareness and Research to help raise money for the Santa Clarita Autism Asperger Network (SCAAN).* Instead of their feet doing the walking, these participants are using their hands, hearts and minds to support families affected by Autism.

The Santa Clarita Autism Asperger Network (SCAAN) is an all-volunteer non-profit organization that helps families affected by autism in the Santa Clarita Valley. We have approximately 200 families in our group, a number that is growing every month. Autism is the fastest growing disability in California; 1 in 150 children born today will develop autism.

If you would like to attend our event, sponsor a participant or give a general donation to the Santa Clarita Autism Asperger Network, please complete the attached form or go to www.cropforautism.com where you can download a registration or donor form. You can also register or donate online at www.cropforautism.com/store.htm.

*SCANN will be donating a portion of the event's proceeds to the Autism Research Institute.

Crop for Autism Awareness and Research Registration/Donation Form

Name: _____

Address: _____
